

2007 Study Guide

"The most advanced step in the message of the Infinite Way is not to meet a problem on the level of the problem. Such a step can be imparted only by a person who has caught its significance. At that stage, the Infinite Way student is at the highest mystical point, having lost all interest in changing negative or bad humanhood into good humanhood. He is interested in one thing only: the reign of God on earth. That is all. He is concerned only with the realization that God's kingdom is on earth, as it is in heaven." (The 1975 Letters)

The trustees of the Valor Foundation have chosen the Infinite Way Letters of 1975, A Message for the Ages, for the 2007 Study Guide. This is the fifth of the new eleven book series made up of The 1971-1981 Infinite Way Letters, prepared and edited by Lorraine Sinkler, from Joel S. Goldsmith's tape recorded classwork. They are fine-quality soft cover books which include Scriptural References and Notes, as well as a listing of the tape recorded classes corresponding to each chapter of the book. In this way students can work with the cassettes along with each monthly letter. The Valor Website also provides suggestions for using Lorraine's class work with each month's study.

"Heaven and earth are one: heaven, the invisible cause, and earth, the visible manifestation of heaven, but always one." (The 1975 Letters)
