

2008 Study Guide

"One of the most important principles of the Infinite Way is that God constitutes individual being. This means that God constitutes your being and mine. God manifests as our life, mind, spirit, and soul. Even our body is the temple of God. This is the spiritual truth about every one of us." (The 1976 Letters)

The trustees of the Valor Foundation have chosen the Infinite Way Letters of 1976, I Stand on Holy Ground, for the 2008 Study Guide. This is the sixth of the new eleven book series made up of The 1971-1981 Infinite Way Letters, prepared and edited by Lorraine Sinkler, from Joel S. Goldsmith's tape recorded classwork. They are fine-quality soft cover books which include Scriptural References and Notes, as well as a listing of the tape recorded classes corresponding to each chapter of the book. In this way students can work with the cassettes along with each monthly letter. The Valor Website also provides suggestions for using Lorraine's class work with each month's study.

"Two principles of the Infinite Way, which can change our entire life, are to know our real identity and to understand all evil as a mental imposition." (The 1976 Letters)
