

2023 Study Guide

The freedom that this book reveals is a state of permanent freedom. It is not the freedom we experience when we recover from some disease, for in that state we always know or expect that some other ailment can afflict us. It is not the freedom from lack that a wonderful new job or large inheritance may bring us, for these also can fail us.

The freedom expressed in this book by Joel S. Goldsmith is a freedom already within us, which is arrived at through the discipline of knowing the truth, the truth about God, man and "***the nature of error***" and standing firm in these truths. As he says "***if we are not abiding in the Word and letting the Word abide in us, all the evils of this world can come near our dwelling place.***"

The trustees of the Valor Foundation have chosen the Infinite Way Letters of 1981, The Only Freedom, for the 2023 Study Guide. This is the eleventh of the eleven book series made up of The 1971-1981 Infinite Way Letters, prepared and edited by Lorraine Sinkler, from Joel S. Goldsmith's tape recorded classwork. They are fine-quality soft cover books which include Scriptural References and Notes, as well as a listing of the recorded classes corresponding to each chapter of the book. In this way students can work with the cassettes, CDs or MP3s along with each monthly letter. The Valor Website also provides suggestions for using Lorraine's class work with each month's study.

Throughout this book Goldsmith shows us how to find "***the liberty of the sons of God***" within ourselves. He never says that it will be easy, but he does explain that freedom and fulfillment are the end result. (The 1981 Letters)

January	"A Message for the New Year" The Only Freedom, Chapter 1 The 1977 Sydney, Australia Special Class Tape 1; Side 2; Catalog No. 7706 — Establishing Christ-Consciousness Universally
